My Brothers,

March 13, Manatee Lodge No. 31 had a fellowcraft degree. The lodge received Brother Joseph Fairbothom, who was passed to the degree of fellowcraft under the instruction of Brother Tracey Martin.

The degree went pretty well as expected if y'all know what I mean. This being my first time in the East I would like to first and foremost thank all the brothers who helped me prepare for this degree. RW:. Ron Baber, W:. Kyle Bachman, and my Brother W:. John Steiner; as well as Brothers Tracey Martin, Anthony DiMauro, Nick Evans, W:.George Vomvoris, and Allen Donahue.

With out all these brother's help I could not of made the degree as successful as it was. I will continue to work my hardest for the lodge, and urge everyone to do the same.

Your Junior Warden.

Matt Steiner

P.S. A special thank you to RW:. Barry Hart for your valuable contribution to this degree.
Participating in the Tour de Cure is an experience you will never forget. Hundreds of Bicyclists all riding to help raise awareness and funds for Diabetes Research.

For the last three years Manatee 31 has provided many volunteers for this wonderful cause and we aim to do it bigger and better this year.

This year’s tour will be held downtown Lakewood Ranch again, on April 9th.

The Guy Expo!

What a great event brothers, thank you to everyone that came and helped out with the booth. With an estimated attendance of over 6,000 people the event was a huge success. Our goal at the event was purely to be seen in the community and let the public know what we do and what we stand for. By the end we had handed out all our fliers, multiple petitions, and more pens then you could count.

Special Thank you to W:. Mark Baltimore, W:. Doug Dobbs, The Sahib Shrine, The Samoor Grotto, and The Brothers of Tyre for their help in making our booth the success it was!
The $30 dues increase, and the increase to the three degree fees has passed by unanimous vote with the By-laws changes going to the Grand Lodge for Approval. If you would like to avoid this increase NOW would be the time to get your perpetual membership before the increase goes into effect. We are always in need of instructors and Mentors. Please if you have an interest contact Matt. Don’t be afraid we can help you to help others!

Also did you know that anyone can participate in the Degree’s? Come try being apart of the ritual work, enjoy the fellowship and learn all the tricks of the trade!

When you are sick or lonely wouldn’t it be great to have a friend and brother stop in and see you? Join the Visitation Committee and bring a little joy to a brother who needs it!

To continue to update everyone on this year’s Trestle Board, with each month things are getting smoother and smoother. March being the first of the quarterly ones that will be mailed to the entire craft. I delayed it going out till after the Guy expo so I could include photos and what not from the event.

Part of the reason we decided to go with quarterly mailed ones is because both physical addresses and email addresses on record don’t always match.

We urge the brothers to please make sure both are up to date with the secretary. Currently 10 e-mail addresses are being bounced back from the digital version, and about 8 of the “mail only” brothers are getting returned to us. Communicating with the craft is difficult when the lines of communication have been cut. I am hoping after this first quarter mailing goes out we can reduce the amount of “disconnected” brothers.

And please if you aren’t getting the digital version, please go to www.manateelodge31.org/signup/ to add yourself to the mailing list.

W:.KBB

March’s Mason of the Month goes to Brother Bill Dickey. Dedicated and hard working since joining the lodge, Brother Dickey has stepped up to be this years lodge mentor. Thank you Brother Dickey for your dedication!

Do you know a brother who is deserving of this title then please email your suggestions to Kyle@rev66.com.

“Why Paper?”

Stay informed, Stay up to date.

March Madness!

**Degrees, Expos, Meetings, oh my!**

March marks one of the busiest months at the lodge so far this year. Combined with Liberty Lodge UD, we held one of each degree this month as well as hosted the Zone Team’s practices. The lodge also hosted three memorial services, this month. W.: Jim Flemming, gave us some great masonic education, along with the sad news of his and Donna’s permanent return to Wisconsin. Brother Mike McCullough gave one of his spectacular slide show presentations, covering the Tyler’s Sword and two famous Freemasons. We pilgrimaged to the Masonic Home, we mingled at The Guy Expo, and broke bread at some wonderful meals.

With so much going on it’s easy to get lost in the shuffle, but with so much going on it also gives each and every member an opportunity to be involved in some form.

Of our current membership just under 10% is active and attending meetings semi-regularly, and only 3 - 5% are participating in something other then dinner or the occasional meeting.

I understand that the “real world” keeps us busy, and I also know that many of that 10% are busy or active in the appendant bodies. But the blue lodge needs you!

If you can’t spare your Mondays then try and spare an hour or two on a Saturday for work day. I know we ask and beg all the time, I get tired saying it as much as you do hearing it, but just ask yourself this question; “What have I done for my Lodge Lately?”

You get out of Masonry what you put into it, and its time to make a deposit.

---

Isn’t it strange how princes and kings, and clowns that caper in sawdust rings, and common people, like you and me, are builders for eternity?

Each is given a list of rules; a shapeless mass; a bag of tools. And each must fashion, ere life is flown, A stumbling block, or a Stepping-Stone.”
