## From the “Far” East

Our new Master has offered me the chance to bid a final thank you and good-bye to my brothers and sisters, and I happily accept. I have been Master about two and a half years total, counting the time I filled in for a brother who moved out of state. During that time I did the best I could, and was rewarded with almost total friendship and cooperation, both monetary and the sweat equity kind. For that I am so grateful and hope it continues, as that could only benefit our lodge and our community. Once again, thank you, and may God bless you one and all.

W.: Bob Holland

## From the “Near” East

Brethren,

At the time you read this I will have been installed as your Worshipful Master. I emphasize the word "your" for the purpose of reminding you that I encourage your input. While my responses to your input might not always be yes I am truly dedicated to making this year to be as much fun and educational for you as possible. Everyone who has preceded me has done such a wonderful job of taking care of the building and grounds and it is really nice coming into an office that doesn't require a ton of refurbishment or maintenance. And while we have been touted as the "Friendliest lodge" I hope to continue this tradition.

We are bringing back the 4th Sunday Barbecue and are going to have more in the way of "Non-tyled" activities such as dinners and a movie night. We already have the relaxation corner in the dining room started and will continue to add to this during the month of January. King Solomon's diner has been sold and the New Owner (our Junior Warden) has renamed it "The High Twelve Cafe". and it will be available prior to every meeting closing at 7:10 PM. refreshments will also be available for those who cannot make it earlier because Fellowship is always in order.

Thank you,

Scott Budwitz , WM

## From the South

We wish to thank our Worshipful Master Bob Holland for the exceptional job as Worshipful Master of Englewood Lodge 360, and we wish to Congratulate our newly elected Worshipful Master Scott Budwitz.

I would also like to thank everyone for having confidence in me as your Senior Warden this coming year.

I hope everyone has a Very Merry Christmas and a Happy New Year.

Bro. Jerry Wadel, JW

# Myakka Scottish Rite Club

Half a year ago, as floods ravaged communities along the Ohio and Mississippi Rivers and tornadoes struck other parts of the country, the Scottish Rite Masons showed what it means to belong to this organization. We stepped up and helped our Brothers get through some pretty tough times. Through the Almoners Fund we offered financial assistance to those Masons who were hit with floods in southern Illinois, regardless of Masonic affiliation. Additionally, we granted funds to the Grand Lodge of Missouri so that Masons who were victims of the killer tornado that hit Joplin could be helped.

For more information on present Scottish Rite activities and projects, everyone is invited to join the public for our annual Myakka Scottish Rite Club Spaghetti Dinner fund-raiser for only a \$7 contribution from 5 to 6:30 pm on January 27th at the Englewood Masonic Lodge. Come enjoy the food, fun and fellowship -- tmore the merrier. And we invite all Third Degree Masons to become a regular Club member.
