M W Jim J. Harris Greetings from the East

Greetings Brothers,

On Sept 13, 2011, the Lodge will come out of darkness and return to finish up the Masonic year. The second annual picnic was well attended and all had enough to eat and enough time to have a great deal of fellowship. The DDGM's visit will have been history by the time this trestleboard comes out. Our EA Brother, Jorge Salve, will present his "give-back" on Sept. 13 and will join another candidate in October to receive his Fellowcraft degree. We look forward to a strong finish to this year and to the upcoming elections.

In upcoming events, we will have several service awards to present to both members of our lodge and as courtesy presentations for other Lodges. A Fellowcraft degree is scheduled for October and we again ask that brothers come out and support the two brothers who will be receiving their degrees on a called communication for that purpose.

All is well in our new home in Manatee 31's building and we look forward to a long and happy relationship. Remember, the Lodge now meets on the second and fourth Tuesday at 7:30 p.m. in Manatee's building on Rte. 64. The second meeting in September will be the "dish to pass" supper at 6:30. Come and renew old acquaintances and make new ones. We all seek more light and are always ready to help brothers renew their light. Sign up for the e-trestleboard.

A quotation from the March 2011 issue of the Short talk Bulletin published by the Masonic Service

Association sums up how the progress as a Mason and a Man. "Masonry is not for everyone, nor should we feel that it should be. But if one is to pursue it, then there is no way to avoid the fact that one makes time to do so, and invest genuine effort in the process." Progressing from being hoodwinked with no light to gaining all the light that is available to us is a long, difficult, and extremely rewarding journey. It is a trip that will truly make a man better.
